Subject: Reclamation Bond Replacement Approval, Beck & Beck Construction Company, Fox Canyon Mine, S/049/0080 Utah County, Utah

Dear Mr. Beck:

The Division of Oil, Gas and Mining is in receipt of the replacement reclamation surety in the amount of \$60,500 from Ironshore Indemnity Inc. The reclamation surety is escalated to 2019 dollars. You are now permitted to resume small mining operations on five acres as outlined in the Notice of Intention to Commence Small Mining Operations (NOI). Cessation Order MC-2016-60-01 has now been terminated.

In addition, the original surety in the name of Mountain Home Development in the amount of \$8,000 is now eligible for release. You may apply for release using form MR-SITE available on the Division's web page at [https://fs.ogm.utah.gov/PUB/MINES/Minerals\\_Related/FORMS/MR-SITE.pdf](https://fs.ogm.utah.gov/PUB/MINES/Minerals_Related/FORMS/MR-SITE.pdf).

The approval or acceptance of a complete NOI does not relieve an operator from his responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations.

The Division's web page at <http://ogm.utah.gov> under the Minerals Program has a link to the rules under which you are expected to operate and to other information to assist you in complying with program requirements. Thank you for your cooperation. In reply, please refer to file number S/049/0080. Please contact April Abate at 801-538-5214 or Paul Baker at 801-538-5261 if you have questions or concerns regarding this approval.

Sincerely,

Paul B. Baker  
Mining Program Manager
